

# CUBE

The Cube freestanding stone bathtub is designed with both luxury and tranquillity in mind. Its softly contoured interior supports a comfortable, reclined bathing position, while its bold form creates a refined statement. Pair with the Laila stone basin for a cohesive and elevated look.

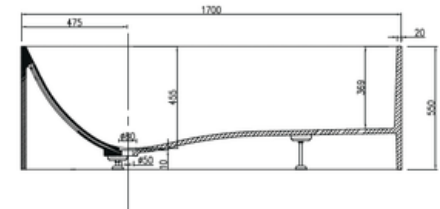

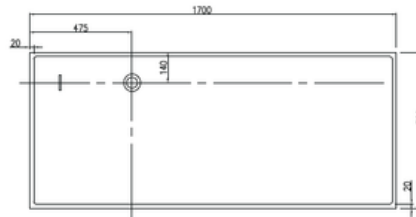

## Pietra Bianca Stone

Our freestanding bath tubs are crafted from an eco-friendly, non-porous composite stone made from a unique blend of reclaimed marble, limestone, and engineered resins. The material is durable, smooth to the touch, and resistant to stains and moisture.
